Standard Lime & Stone Quarry, BLACKSMITH SHOP

HAER No. WV-49-N

Location: Standard Lime & Stone Quarry, central portion of plant area, County Route 27, Millville, Jefferson County, West Virginia.

UTM: 18.4353620.260110
Quad: Charles Town, West Virginia

Significance: The Blacksmith Shop is a partially intact example of an industrial architectural type used for support structures at the Standard Quarry.

Description: The structure is a small, gable-roofed, corrugated metal building with one garage bay on the front (east) side. There is a small raised concrete hearth in the southeast corner of the shop. The building measures 18 by 24 feet and is in deteriorated condition.

History: The shop was constructed by the Standard Lime & Stone Company c. 1930 to house all blacksmith services for quarry operations.
